

**Amendment 0001 to BAA 06-021**

**“Conceptual Design & Mockup Science & Technology Efforts in Support of the Family of Joint Light Tactical Vehicles”**

1. The purpose of Amendment 0001 is to revise the “Past Performance” paragraph under the Volume 1: Technical Proposal section as follows:

- **Past Performance** : (6 Pages) A detailed description of similar effort performed on past Government or privately funded programs, especially as it pertains to military wheeled vehicle system design, development, and testing.

**ALL OTHER REQUIREMENTS REMAIN UNCHANGED.**
